"The Power Of One"

You must always remember...
Life can be a challenge...
Life can seem impossible...
It's never easy, when so much is on the line...

But you can make a difference...
With courage you can set things right...
The gift to dream and make dreams real,
Is yours and mine...

The power of one!
Begins with believing!
It's starts in the heart...
Then flows through the soul...
And changes the world!
Imagine how life will be...
When we stand in unity...
Each of us holds the key...
To the power of one!

Each of us is chosen...
There's a mission just for you...
Just look inside...
You'll be surprised...
What you can do...

The power of one!
Begins with believing!
It's starts in the heart...
Then flows through the soul...
And changes the world!
Imagine how life will be...
When we stand in unity...
Each of us holds the key...
To the power of one!

Then one by one...
We can make the world...
A much better place!

The power of...
ONE!

Begins with believing!
It's starts in the heart...
Then flows through the soul...
And changes the world!
Imagine how life will be!
When we stand in unity!
Each of us holds the key...
It's inside of you and me!
Each of us holds the key...
To the power of one!

The power of one...
