They don't understand! No! Mm-mm...Oh!
They say we're just playing games!
That it isn't real!

But it's what we feel! Oh yeah!
And they say it doesn't make sense!
That we're just wasting time!

And they wonder why! Yeah...
You know we got,
Our own special language!
That only we can speak!
And parents never know,
Just what it means!
Oh no!

They don't understand!
How we communicate!
Oh so many things!
That we do and say!

They don't really get what it's all about!
No they never can...
Understand Pokémon!

I can't explain!
If they don't know why!
You see, it's everywhere!
Well...they must be blind! Wo-oh!

Pika what? And, Misty who?
It just goes to prove...
That they don't have a clue! No no...

You know we got...
Our own world to live in!
(We got our own world...)
And so far apart!
(Apart...)
Oh yes we are!
To make it clear,
I don't know where to start! Oh no!

They don't understand!
How we communicate!
Or so many things!
That we do and say!

They don't really get!
What it's all about!
No, they never can...
Understand Pokémon!

No!
Understand Pokémon!

You know we got,
Our own special language!
That only we can speak!

And parents never know,
Just what it means...
What it means!
What it means!

They don't understand!
How we communicate!
Oh so many things!
That we do and say!

They don't really get!
What it's all about!
No they never can...
Understand Pokémon!

They don't understand!
How we communicate!
Or so many things!
That we do and say!

They don't really get!
What it's all about!
No they never can...
Understand Pokémon!
