You've been such a good friend  
I've known you since I don't know when  
We've got a lot of friends,  
But they come and go  
Even though we've never said it,  
There's something that the two of us both know

### CHORUS

Together, forever no matter how long  
From now, until the end of time  
We'll be together and you can be sure  
That forever and a day  
That's how long we'll stay  
Together and forever more

Always gone that extra mile  
Depended on you all the while  
Even in the good and bad times  
You will see  
From now until our journey's end  
You know that you can always count on me

### REPEAT CHORUS

No matter where our destiny leads  
I'll be there for you, always come through  
And that you can believe.
