Ash: There's a feeling I'm getting
I just can't explain
Makin' me glad tonight
Maybe it's Christmas
Maybe the snow
Maybe the mistletoe

Misty: There's a secret I'm keeping, that no one can
hear
I'm feeling deep in my heart
Maybe this Christmas my true love will show
Under the mistletoe

Chorus: With Jolly old St. Nicholas
Before the night is through
There's something very special
That I'd like to say to you
Merry, merry Christmas
I'd like you know

Misty: I'm hoping that I meet someone
Under the mistletoe...

Ash: Now there's a crowd at the party
Misty: Our friends are all here
Chorus: Everyone's warm and bright
Misty: Maybe I'll meet him where hearts are aglow
Under the mistletoe

Ash: Maybe I'll just stand here
And no one will know
I'm under the mistletoe

Ash: Boy, this part sure is crowded
Hey, wait a minute!
There's Christmas cookies over there!
Let's go get some, Pikachu!
Pikachu: Pika!
Misty: Hi Ash!
Ash: Oh, hi Misty
Misty: Great party, huh?
Ash: Yeah, we were just going to get something to eat

Misty: Hey, did you see nurse Joy?
Ash: Yeah, maybe you should go tell Brock!
Misty: Maybe not...
Ash: Anyway, can we squeeze past you?
We're pretty hungry...
Misty: Oh, sure. Okay, um...

Coro: With Jolly old St. Nicholas
Before the night is through
There's something very special
That I'd like to say to you
Merry, merry Christmas
I'd like you know

Ash: I'm hoping that I don't get caught
Under the mistletoe

Misty: Now there's a crowd at the party
Ash: Our friends are all here
Chorus: Everyone's warm and bright
Misty: Maybe he'll find out... You just never know
Chorus: Under the mistletoe

Ash: Maybe I'll stand here, maybe I'll go

Misty: Maybe in this Christmas
I might let him know

Ash: Maybe this Christmas
I just might get... Uh oh...

Misty: Hi Ash! Did you get something to eat?
Ash: Uh, yeah
Misty: Um, Ash? Did you realise
We're standing under the mistletoe?
Ash: Huh? Waaaaaa!!!!

Misty: Ash! Where are you going?!
Ash: Uh... I'm getting some Christmas cookies!
Misty: You just got some cookies!
Ash: Y... Yeah, I know! Come on, Pikachu!
Misty: What's his problem, Pikachu?
Pikachu: Pika pika?
Ash: Come on, Pikachu!
Misty: Ash, watch out for the...
Ash: Waaaaaaa!
Misty: Uhh... Never mind
