On the road x2
Oooo
On the road x2

On the road to Viridian City (I'm on my way I'm on the
road x2)
On the road to Viridian City (I'm on the road)

We've built a team and we've been
training all day long long
We're on the road and getting' strong (getting strong)

Now here's the plan:
We're gonna' head down to the forest
Time to collect some Pokemon (gotta catch them all x2)

We keep on tryin' tryin'
And then we try some more
To stay together
And find a place worth fighting for

I'm on the road to Viridian City
Meet my friends along the way (I'm on the road)
We're on the road to Viridian City
I got a badge an the power to play

Gotta get there
I'm on my way
Gotta get there
Viridian City

I left my home and now I see a new horizon (horizon)
But one day I'll come back to Pallet Town (Im comin
back coming back)
I'm on the road to become the greatest trainer
And I won't quit until I'm #1

We keep on trying
Then we try some some more We stay together and
find a place worth fighting for

I'm on the road (to Viridian City)

Meet my friends along the way
I'm on the road to Viridian City

I'm on the road I'm on the road to Viridian City (I'm on
the road)
We're on the road to Viridian City (Viridian City)
Meet my friend(meet my friends) along the way (come
on let's play)
We're on the road to Viridian City.
I got my badge and my power to play.
I'm on the road to Viridian City (Viridian City)
Awaiting the challenge of another day
We're on the road to Viridian City (Viridian City)
On the road to Viridian City.
On the road to Viridian City. x2
