What kind of Pokemon are you?
How do you do the things you do?
Share with me your secrets deep inside (inside)
What kind of Pokemon are you?
Are you loyal through and through?
Do you have a heart that's true?
What kind of Pokemon are you?

Take your NORMAL type like Jigglypuff
Against the GHOSTLY Gengar the battle's real tough
Thunderbolt's a great ELECTRIC attack
'Til you get GROUND down by a Marowak

Don't you BUG me with a Caterpie
For a FLYING type the win's easy
Good Luck with Muk and POISON gas
Make one wrong move and it'll kick your GRASS

What kind of Pokemon are you?
How do you do the things you do?
Share with me your secrets deep inside
What kind of Pokemon are you?
Are you loyal through and through?
Do you have a heart that true?
What kind of Pokemon are you?

Reach higher with FIRE-go Flareon!
Think twice about ICE to be number one
WATER's in order if you wanna to be slick

Mewtwo's the best bet when you get PSYCHIC

Hitmonlee's the key for your FIGHTING mood
And you can ROCK 'n roll with a Geodude
Dratini comes first when you choose DRAGON
But evolution's the solution if you're gonna win!

Chorus

Keep on training so you're stronger and faster
Just can't stop 'til your power I master
My plan is this ..gotta' catch them all

Get 'em in my Pokeball
What kind of Pokemon are you?

oh,yeah
