A magic feeling...
Has grown so strong...
Always leaves me...
To a place where I belong...
Won't go away...
Never let me down...
I've got the greatest friends...
That ever could be found...
Across every river!
Behind every tree!
On top of every mountain!
They're apart of you and me!

One world!
One world... Now and forever!
Best friends... Loyal and true!
One dream... Put side and side!
There's nothing we can't do!
One hand... Helping the other!
Each heart... Beating as one!
We live... Always together!
Sharing the same bright sun!
One world!
You
