You're way out of your league,  
You've more than met your match

I guess you're slowing down, old man,  
Can't hit what you can't catch

Soon the whole world will know  
The genius of my plan

I will find a way to stop you  
Any way I can

You're such a goody-two-shoes,  
It's more fun being bad

No one's gonna side with you,  
You're stark raving mad

Oh yeah, just ask your mother

That's all in the past

Listen to me, little boy,  
Nice guys finish last!

Oh no! You just can't win

You're not that strong

Time to pay for your sins

You've got it all wrong  
You just can't win

I'm gonna shut you down

Your chances are slim

No more fooling around

Let the battle begin!  
You just can't win

(GIOVANNI & ASH)  
LET THE BATTLE BEGIN  
YOU JUST CAN'T WIN
