I've been waiting for a long time  
For these things to happen with you  
That blonde hair  
Those blue eyes  
You could get away with murder  
You said I had no idea  
You didn't give me a chance  
And then you wished that you would have  
That I hadn't been so romanced

She's so beautiful  
And so easy on my eyes  
Please don't let this change  
It's a blessing in disguise  
Just don't tell me goodbye

See I can't get you off my mind  
Since what happened that night  
I always said you had that look  
God now I know I'm right  
You whispered in my ear  
What I wanted you to say  
But then you stopped yourself  
Tonight I wanna go all the way

She's so beautiful  
And so easy on my eyes  
Please don't let this change  
It's a blessing in disguise  
Just don't tell me goodbye

I know you said everything would change  
You're my best friend and I don't want that to end  
Please don't say goodbye

She's so beautiful  
And so easy on my eyes  
Please don't let this change  
It was a blessing in disguise  
She's so beautiful  
And so easy on my eyes  
Please don't let things change

It's a blessing in disguise  
Just don't tell me goodbye
