"Quando il bambino era bambino era l'epoca di queste  
Domande  
Perche io sono io e perche non sei tu?  
Perche sono qui a perche non sono li?  
Quando comincia il tempo e dove finisce lo spazio?"

The old man to the child  
Birth was death!  
Pink to deep blue  
Black to violet.

The angel dressed in white  
The devil seated beside  
Desolated  
Lost lands extinguished  
Here they are  
Dipped in silver and thunder  
Torment and silence  
Sounds among the ancient stars

Death was birth!  
Silent anguished calls  
Extinguished memories  
The empty pasts  
A present that doesn't exist  
A man there dies!

Acrobatics of the sky  
Reflection in the sea  
Like pearls shining  
To the last goodbye on bended knees

Death was birth!  
Silent anguished calls  
Extinguished memories  
The empty pasts  
A present that doesn't exist  
A man there dies!

The angel dressed in white  
In flight...  
The devil seated upon

The throne!

The old man to the child, birth was death!

Death was birth!  
Silent anguished calls  
Extinguished memories  
The empty pasts  
A present that doesn't exist  
A man there dies!

A present that doesn't exist

A man there dies!
