This is war,  
It ain't under control.  
This is war,  
It ain't under control.

And when the war takes it's toll,  
It ain't Under Control

This is war,  
It ain't under control.  
This is war,  
It ain't under control.

This is war,  
It ain't under control.  
This is war,  
It ain't under control.

And when the war takes it's toll,  
It ain't Under Control

This is war,  
It ain't under control.  
This is war,  
It ain't under control.
