"Heart Of Stone"

There've been so many girls that I have known
I've made so many cry, yet I still wonder why
Here comes a little girl, I see her walking down the
street
She's all by herself, I try to knock her off her feet
But, she'll never break, never break, this heart of stone
Whoa this heart of stone darling

What's different about her? I don't really know
No matter how I try, I just can't make her cry
Well don't keep on looking, that same old way
If you try acting sad, oh you'll only make me glad

You better listen here little girl, you go on walking down
the street
I ain't got no love, I ain't the kind you wanna meet
'Cause you'll never, no, never break, this heart of stone
Whoa this heart of stone darling
This heart of stone

Oh you'll never break it baby
No, this heart of stone
No, never try and break it darling
No, no, never break, this heart of stone
Whoa, whoa, this heart of stone
This stone
