The barrel-house told me, my baby caught that train 'n
gone

The barrel-house told me, my baby caught that train 'n
gone

It was all my fault, I musta' did somebody wrong.

Everything that happens, you know I am to blame.

Everything that happens, you know I am to blame.

I'm gonna find myself a doctor, perhaps my luck will
change.

Ah, my mamma she told me, these days will surely
come.

I wouldn't listen to her, had to have my fun.

The barrel-house told me, my baby caught that train 'n
gone.

But it's all my fault, I musta' done somebody wrong, oh
yeah.

The barrel-house told me, my baby caught that train 'n
gone

The barrel-house told me, my baby caught that train 'n
gone

It was all my fault, I musta' did somebody wrong. Oh
play the blues...
