I'm Not Crying

By Jack Pearson & William Howse

Copyright 1995 by Candlefly Songs

Transcribed by Paul Gongola

Moonlight shining through my window  
Cold wind blowing at my door  
While I lay here thinking  
Down on this killing floor

Blues falling down around me  
Coming just like rain  
Oh, it makes me wonder  
How I can stand so much pain

I'm not crying, I'm not crying  
Even though it hurts me so  
More than you'll ever know  
I'm not crying

Long distance relation  
That's so close to me  
Who I think of so often  
But rarely get to see

Never thought I'd fall 'till I fell down  
Reaching up from the ground  
Looking for a helping hand  
That was nowhere to be found

I'm not crying, I'm not crying  
Even though it hurts me so  
More than you'll ever know  
I'm not crying

I'm not crying, I'm not crying  
Even though it hurts me so  
More than you'll ever know  
I'm not crying  
Even though it hurts me so

More than you'll ever know  
I'm not crying  
It hurts me down in my soul  
More than you'll ever know  
But I'm not crying
