Pocket full of money

Got a big smile all on my face

Boy and I can charm the diamonds

right off the back of a rattlesnake

But you've got me so confused

Cut me cold as ice

I ain't used to losing

Guess I'm playing with loaded dice

Well the first time that I saw you

Said you'd just dumped your old man

Then the next time you was dealin

Must have dealt me a losing hand

Woman I tried to win your love

Just can't pay the price

Keep throwing in sevens

I keep on playing with loaded dice

Well I thought I was a hustler

But you sent me back to school

Keep playing some new game

Making up your own rules

Must be some kind of crazy

let you fool me twice

I don't know why

I keep playing with loaded dice

Well, tonight I hit the jackpot

I was shining like a diamond ring

Lady luck was smiling

And the old snake charmer was doing his thing

You saw the tables turn

man it sure felt nice

Now we see who's laughing

Now we see who's playing with the loaded dice

Girl you ain't like nothing  
I've ever seen before  
Keep throwing in aces  
I keep coming back for more  
Guess I should have listened  
But you can't give a fool advice  
Don't know why I keep playing with loaded dice.
