Ain't but ... one way out, baby ... Lord, I just can't go out
the door

Ain't but ... one way out, baby ... and Lord, I just can't go
out the door

For there's a man down there ... might be your man I
don't know

Lord, you got me trapped woman ... up on the second
floor

If I get by this time I won't be ... trapped no more

So raise your window, baby ... I can ease out soft and
slow

And Lord, your neighbors, no they won't be

Talkin' that stuff that they don't know ... no!

Oh!

Whoa!

Lord, I'm foolish ... to be here ... on the first place
I know some man gonna walk in ... and take my place-
uh

Ain't no way in the world ... I'm goin' out that front door

For there's a man down there ... might be your man ... I
don't know

For there's a man down there ... might be your man ... I
don't know

For there's a man down there ... Lawd, it just might
happen to be your man

Oh, and it juss-a a might be your man ... mmm-mm-
mmm-mm

Lawd, it juss-a might be your man

Oh, baby, I just don't know

Oh, you tell me!
