You don't love me, pretty baby  
You don't love me, yes I know  
You don't love me, pretty baby  
You don't love me, yes I know  
Well if you leave me, pretty baby  
Don't you know you're gonna hurt me so

Well I'm gonna tell my mother  
I'm gonna talk to my father too  
Well I'm gonna tell my sweet mother  
I'm gonna talk to my father too  
Well I'm gonna tell everybody  
What those young girls will do for you

Well I'm gonna tell my mother  
I'm gonna talk to my father too  
Yes I'm gonna tell my sweet mother  
I'm gonna have a word with my father too  
Well I'm gonna tell everybody  
What those young girls will do to you

Goodbye now, pretty baby  
If I don't see you no more  
Lord, goodbye now, pretty baby  
If I never see you no more  
Well if you think I'll be your fool, Lord  
You better be on your merry way
