i take it all back, all that i said, it comes out to fast so i
i just couldn't help the way that i felt, i started the fire
watching you walk i followed you there, standing to
close, it's hurting
i pictured the words, the warmth of your breath, i
started the fire it's burning

and it feels like jealousy, and it feels like i can't breath
and i'm all down on my knees, and it feels like jealousy

seeing a light, a face in the crowd, my lonely heart is
racing
and my whole world is under attack what kind of love
am i facing
is it me that you want? cause it's me you can have
can you give me answer? I'm tired of waiting, I'm tired
of thinking

and it feels like jealousy, and it feels like i can't breath
and i'm all down on my knees, and it feels like jealousy

oh oh how how ha ha ooo ooo
i'm tired of waiting, i'm tired of thinking

and it feels like jealousy, ha ha oh oh, and it feels like i
can't breath
i can't breath, oh oh oh oh oh oh,
and i'm all down on my knees, oh oh oh oh oh
and it feels like jealousy
