Day after day race after race
I keep running the marathon
All the way to take my place
In the heart of Lebanon

Years have passed glory at last
The story will be told
Run it slow or run it fast
You heart is made of gold

Lebanon
Take it to the street
The world is watching you
Listen to the beat
The rest will follow you

Hand in hand playing in the sand
We are the youth of Lebanon
This is our home this is our land
Respect and love for all

The time has come for us to meet
Boys and girls young and old
Once again we'€™ ll take it to the street
In the heart of Lebanon
