(Gregg Allman)

Last Sunday morning  
The sunshine felt like rain  
Week before  
They all seemed the same  
With the help of God and true friends  
I come to realize  
I still had two strong legs  
And even wings to fly  
And oh I, ain't wastin time no more  
'Cause time goes by like hurricanes  
And faster things  
Lord, lord Miss Sally  
Why all your cryin'?  
Been around here three long days  
You're lookin' like you're dyin'  
Just step yourself outside  
And look up at the stars above  
Go on downtown baby  
Find somebody to love  
Meanwhile I ain't wastin' time no more  
'Cause time goes by like pouring rain  
And much faster things  
You don't need no gypsy to tell you why  
You can't let one precious day slip by  
Look inside yourself  
And if you don't see what you want  
Maybe sometimes then you don't  
But leave your mind alone and just get high  
Well by and by  
Way after many years have gone  
And all the war freaks die off  
Leavin' us alone  
We'll raise our children  
In the peaceful way we can  
It's up to you and me brother  
To try and try again  
Well, hear us now, we ain't wastin' time no more  
'Cause time goes by like hurricanes  
Runnin' after subway trains  
Don't forget the pouring rain
