(Gregg Allman)

Last Sunday morning

The sunshine felt like rain

Week before

They all seemed the same

With the help of God and true friends

I come to realize

I still had two strong legs

And even wings to fly

And oh I, ain't wastin' time no more

'Cause time goes by like hurricanes

And faster things

Lord, lord Miss Sally

Why all your cryin'?

Been around here three long days

You're lookin' like you're dyin'

Just step yourself outside

And look up at the stars above

Go on downtown baby

Find somebody to love

Meanwhile I ain't wastin' time no more

'Cause time goes by like pouring rain

And much faster things

You don't need no gypsy to tell you why

You can't let one precious day slip by

Look inside yourself

And if you don't see what you want

Maybe sometimes then you don't

But leave your mind alone and just get high

Well by and by

Way after many years have gone

And all the war freaks die off

Leavin' us alone

We'll raise our children

In the peaceful way we can

It's up to you and me brother

To try and try again

Well, hear us now, we ain't wastin' time no more

'Cause time goes by like hurricanes

Runnin' after subway trains

Don't forget the pouring rain
