

After Midnight "Take Me Home"

I'm walking in the shadows of my own tempted soul
Time is ticking by
While I'm chatting with this bottle of wine
I know that I'm not perfect
I'll admit that I'm a fool
Everytime I'm lost I'm always
finding my way back to you, the one
I need when I'm awake.

Take me home
I wanna go
And I'm sorry I can't love you
I'm sorry I can't
Make you see
Who I am.

Did he see it coming?
Dying in a bath of shame
While all his hopes past him by
And all his fears had killed him dry?
I can see what he was thinking
It's so easy if you try
Killing yourself with a silver dagger
Just to show how much her love is worth the pain
Then to hear her cry your name.

Take me home
I wanna go
And I'm sorry I can't love you
I'm sorry I can't
Make you see
Who I am.

I can't go on, I can't live like this
And I can't go on, I can't live like this
And I can't go on, I can't live like this
No, I can't go on, I can't live like this...

Take me home
I wanna go
And I'm sorry I can't love you
I'm sorry I can't

Make you see
Who I am.
