Tried and failed to make it work
you broke the news that crushed my earth
and buried me in it
walked out left me digging
My mother couldn't leave her room
or face the boy who lost the man
who used to protect them
then tried to forget them

At times
the sky gets darker
there aint no changing that
when the sun's getting farther
pray tomorrow it comes back

Here comes the rain
falling down on me, falling down on me
and i pray, i pray, for you
Oh, what I'd give
to turn back the time
All that I have are memories
of how our lives supposed to be
Here comes the rain

Here comes the rain

Where do your intentions fall?
You said you tried to fix this but
I'm picking up the pieces
and Im getting cut the deepest
My baby sister
she's so young
I pray she'll still believe in love
but me
I'm just having trouble seeing in the dark

I can't say that I'm living
but I guess I'm still alive
maybe God is somewhere out there
crying for me in the sky

Here comes the rain

falling down on me, falling down on me
and i pray, i pray, for you
Oh, what I'd give
to turn back the time
All that I have are memories
of how our lives supposed to be
Here comes the rain

Out in darkness
light can shine
takes a storm to clear the sky

Here comes the rain
falling down on me, falling down on me
and i pray, i pray, for you
Oh, what I'd give
to turn back the time
All that I have are memories
of how our lives supposed to be

Here come the rain
