If you wore one big mask
You'd never get a chance to kick ass
Demons in the spring
I can hear them sing
"I'll be coming"
Whenever no one follows, nope
Dedicated all to you (me)
Dedicated all to you (me)

Aaaaaah hope you've got a minute
Yeah, I'd love a minute of time
Or they all go "Fuck it if your winded"

You know, given me the rhyme
Demons in the spring
I can hear them sing
"I'll be coming"
Whenever no one follows, nope
Dedicated all to you (me)
Dedicated all to you (me)

Aaaaah, hope you've got a minute
Yeah, I've got a minute of time
For they all go, "Fuck it if your wasted"
You know, givin' me a rhyme
Demons in the spring
I can hear them sing
"I'll be coming"
Whenever no one follows, nope
Dedicated all to you (me)
Dedicated all to you (me)

Dedicated all
Dedicated, dedicated, dedicated

If you wore one big mask
You'd never get a chance to kick ass
De-mons in the spring
I can hear them sing
"I'll be coming"
Whenever no one follows, nope
Dedicated all to you (me)

Dedicated all
As long as no one follows, nope
The string things out for string
So many for "moi"
Dedicated all
Dedicated, dedicated
