Sent away for a wonderful girl  
Sent away for a wonderful girl  
She'll be there soon  
She'll be there soon  
Now she's a girl  
Now she's a girl  
We talked on the phone  
We talked on the phone  
She just showed up the next day  
She just showed up the next day

Stay for a wonderful while  
Stay for a wonderful while  
I was enriched in ways  
I was enriched in ways  
I really can't describe  
I really can't describe  
I'll whine  
I'll whine  
I'll live, no memory  
I'll live, no memory  
I remember it I see  
I remember it i see  
Here eternities  
Here eternities

For wound and kind (?)  
For wound and kind (?)  
Like all the signs  
Like all the signs  
Once you've got it  
Once you've got it  
Once is all the time  
Once is all the time

Here eternities  
Here eternities  
For wound and kind  
For wound and kind  
Like all the signs  
Like all the signs  
Once you've got it

Once you've got it  
Once is all the time  
Once is all the time

Wonderful girl  
Wonderful girl  
She's a poet  
She's a poet  
You know it  
You know it  
Need a ride to the store  
Need a ride to the store  
I'll whine  
I'll whine  
I'll live, no memory  
I'll live, no memory  
I remember it I see  
I remember it i see  
Here eternities  
Here eternities

For wound and kind  
For wound and kind  
Like all the signs  
Like all the signs  
Once you've got it  
Once you've got it  
Once is all the time  
Once is all the time
