Music come on, you were gone
Mugon to fuan no
Riyuu to riaru o shitteru both of us
Kodou no rizumu wa zutto
Ikiteru tellin' you why
Aitai I can't tonight
Moon is so bright

Many seasons, many scenes
Demo close my eyes
Kono ai wa
Towa ni to you

Baby remember to shine
Tooi hi no your mind
Toori ame janai
Toutoi many nights
Baby remember to shine
Konnani every time
Un- demo owanai
Believe that you're my baby
I wanna shine

Music come on ano kioku
Kiiteta anarogu
Fureezu kurikaesu atama no oku
Yoake no you ni let go
Ashita e why should I cry
Anna ni naita no wa saisho de saigo

Many reasons, many things
Ima close my eyes
Kono ai wa...
Many seasons, many scenes
Nee close your eyes
Ano ai wa...

Baby remember to shine
Kienai knowing pain
Kinou no morning rain

Kirei na omoide
Baby remember to shine
Konnani every time
Un- demo owanai
Believe that you're my baby

Everybody hears, everybody hears
Nobody can stop music
You were gone forever
Everybody hears, everybody hears
Nobody can stop music
You were gone forever
Towa ni to you

Baby remember to shine
Tooi hi no your mind
Tori ame janai
Toutoi many nights

Baby remember to shine
Kienai knowing pain
Kinou no morning rain
Kirei na omoide
Baby remember to shine
Konnani every time
Un- demo owanai
I wanna shine yeah

Baby remember to shine
Anata o wasurenai
Un- demo owanai
Oh I wanna shine more
