Hoteru karada odoridaseba sasagerareta shisen no

Togireta words toiki ni takushite yubi wo kuwaete

I ain't gonna ai wa agerarenai no no...baby

Nureta hitomi ni kirameku yuuwaku koboreru omoi wo
nazoru kuchibiru
Amai kodou ni shihai sareru mama jounetsu no ito wo
musubiawasete

Would you mind...open up my heart
Ever feel so strong and sexy as you can try with your
tongue
For you...making me tasty
Tell me, whenever you wanna passionating kiss
I will give you

Nigeba no nai maku ga akeba hajirai sae usurete yuku
Sukeru hada wo chiratsukasete dance-floor ni
maimodoru wa

Hurry...boy you move your hands up my tights secretly
Kasureta voice senaka de kanjite mezameru tamashii
wa sasayaku
You ain't gonna mou tomerarenai no no no...body

Hikaru mabuta ni yurameku yokubou shinjitsu wo
saguri kawasaku kuchidzuke
Nigai kaori wa kankaku wo ubai fukaku kizamareta kizu
wa hodokeru

Would you care...when you play the field
Why you put yourself in a sweet trouble with another
girl
For me...leave it all behind

Whatever you say, I wanna confession touch
Then I forgive you...

Cross it, toss it karamaru yubisaki
Move it, turn it madoromu rhythm de
Taste it, feel it muchuu de kowashite
Suck it, shake it oborete yuku
Cross it, toss it come inside me if you wanna
Move it, turn it try on the bitter sugar
Taste it, feel it let me control of your senses
Suck it, shake it futari dake no space

Nureta hitomi ni kirameku yuuwaku koboreru omoi wo
nazoru kuchibiru
Amai kodou ni shihai sareru mama jounetsu no ito wo
musubiawasete

Hikaru mabuta ni yurameku yokubou shinjitsu wo
saguri kawasaku kuchidzuke
Nigai kaori wa kankaku wo ubai fukaku kizamareta kizu
