This love she painted on the wall  
I can't believe the things she said  
I hate the way they know  
Our love's a t.v. show  
This love she painted ont the wall (the wall)

Love graffiti, love graffiti  
Don't shout it out, don't don't shout it  
Love graffiti, love graffiti  
Don't don't shout it out...  
Love graffiti, love graffiti  
Don't shout it out, don't don't shout it  
Love graffiti, love graffiti  
Don't don't shout it out

This love she shouted down the hall  
I liked it better when she kept  
Our secrets to herself  
Me, her and no one else  
This love she painted on the wall

Love graffiti, love graffiti  
Don't shout it out, don't don't shout it  
Love graffiti, love graffiti  
Don't don't shout it ouutt...  
Love graffiti, love graffiti  
Don't shout it out, don't don't shout it  
Love graffiti, love graffiti  
Don't shout it out

I thought I knew you better  
I thought I knew you better  
I thought, I knew, (now i know)  
I don't even know you at all

Love Graffiti, love graffiti  
Don't shout it out, don't don't shout it  
Love graffiti, love graffiti  
Don't don't shout it out  
Love graffiti, love graffiti  
Don't shout it out, don't don't shout it  
Love graffiti, love graffiti

Don't don't shout it out  
Don't shout it out, don't don't shout it out  
Don't shout it out, don't don't shout it out
