I've been here for so long
I can't be too far from You
I feel You in my heart but I can't see You in my fears
And I know it's hard to pray
When I have nothing but bad things to say
And so I try to find a way to follow You

Help me find my way
I've gone astray
I fell into my ways
Don't turn away
I'm calling out Your name

And I cry for a little
Complain a lot
And I wait for the moment when I'll just wake up
It seems that I've been living a simple dream
And I wait for the time when I can go away

I'm weak but I feel strong
I feel love but I'm not kind
I'm foolish in my ways
I wish I'd be a bit more wise
And I know it's hard to pray
When I have nothing but bad things to say
And so I try to find a way to follow You

Help me find my way
I've gone astray
I fell into my ways
Don't turn away
I'm calling out Your name

And I cry for a little
Complain a lot
And I wait for the moment when I'll just wake up
It seems that I've been living a simple dream
And I wait for the time when I can go away

I'm calling out Your name
Hear my prayer
Hold my hand

'Cause I can feel Your arms around me
I can feel Your love surround me
Hold me Jesus
Make me feel so free
