I am Yours
I am Yours
I am Yours
I am Yours

I can walk across the world
And never find the answer
I could search the sky above
And never get any closer
You made it all
And I will have to fall
At the feet of the One
Who fell for me

You gave your life for mine
To have me by your side
I won't look back anymore
Now that I, I am yours
You'll never say goodbye
You are the reason why
I won't look back anymore
Now that I, I am yours

I am Yours
I am Yours
I am Yours
I am Yours

All the rest can disappear
Without any traces
I have nothing left to fear
As long as Your face is
All I can see
You are all I need
Every breath, every step
You're here with me

You gave your life for mine
To have me by your side
I won't look back anymore
Now that I, I am yours
You'll never say goodbye

You are the reason why
I won't look back anymore
Now that I, I am yours

I am Yours
I am Yours
I am Yours
I am Yours

I belong to you
You and you alone
I belong to you
You and you alone
I belong to you
You and you alone

I am Yours
I am Yours
I am Yours
You're here with me

You gave your life for mine
To have me by your side
I won't look back anymore
Now that I, I am yours
You'll never say goodbye
You are the reason why
I won't look back anymore
Now that I, I am yours

I am Yours
I am Yours
I am Yours
I am Yours

I can walk across the world
I can search the sky above
You made it all
And I am Yours
