Someday I'm gonna go out to the country
I'll drive 'til the highway ends
Chasing after picture perfect sunsets to take away my
breath

I'm tired of living in the city
The world's got me tied on a string
Wanderlust has overcome me
Like Lois and Clark I'll dream

There's a million different ways to go
Only God can know where I will call my home

Love lead me on where no one else has gone
Faith keep me strong
Love lead me on

The open road can be so lonely
I'm longing for someone to love me
If only I could share my new surroundings
Open the doors above

There's a million different ways to go
Only God can know where I will call my home

Love lead me on where no one else has gone
Faith keep me strong
Love lead me on

There's a million different ways to go
Only God can know where I will call my home

Love lead me on where no one else has gone
Faith keep me strong

Love lead me on
(Lead me)
(Lead me)

Love lead me on
Lead me
Love lead me on

(Lead me on)
Faith keep me strong
Love lead me on
(Lead me on)

Faith keep me strong
Love lead me
