

Afters, The "One More Day"

You are calling
I can't hear your voice
I am crying tears of no remorse
Out of pride and in myself I boast
I don't need You
I don't want You close

But everywhere I see
You are drawing me
And I just can't go on one more day without You

Because You knocked a thousand times
And every chance I turned away
It seems impossible for me to see
How You can love me in the midst of all my selfishness
and greed
But now I'm on my knees begging Jesus please
I just can't go on one more day without You

I am wandering
You can lead me home
You are waiting
Aimlessly I roam
I am empty
All I have is gone
When I stumble will You catch my fall

The paradox is that You found favor with my soul
To escape Your grace is all I want but You will not let go
