

Afters, The "Someday"

Ready or not the years are blurring
Running away
The mind is turning
Skip to the end to find the meaning
Thoughts are fading yet I wonder still

Like it or not your eyes are open
Playing around
The circles going
Face of a child
Your mind is old
The clock ran down before I could begin

I wish we all could win
(La la la)
(La la la la)
I wish we all could smile
(La la la)
(La la la la)
I wish we all could make our mothers proud

Want it or not you just can't just leave it
Throw it away
I can't believe it
Walking for days
I know you'll see that times are changing
Soon we'll be the same

I wish we all could win
(La la la)
(La la la la)
I wish we all could smile
(La la la)
(La la la la)
I wish we all could make our mothers proud

Someday
Someday
Someday you'll come around

Someday
Someday

Someday your time will come

There's nothing more that I can do
I know we all can make it through
I hope that someday you will see

I wish we all could win
(La la la)
(La la la la)
I wish we all could smile
(La la la)
(La la la la)
I wish we all could make our mothers proud

Someday
Someday
Someday you'll come around

Someday
Someday
Someday your time will come
