

Afters, The "Tonight"

Time after time I'm reminded that I fall apart when I run
away from you
Even though when every mistake leaves me broken
and bruised
I can hold on to you

Tonight
Tonight we're gonna put it all
Put it all behind
Tonight
Tonight we're gonna make it all
Make it alright
We'll be who we want to be tonight
Tonight

Why do I feel like a space that just waits to be filled
Looking for something new when ours is a love that is
already perfect
And I
I know I belong to you

Tonight
Tonight we're gonna put it all
Put it all behind
Tonight
Tonight we're gonna make it all
Make it alright
We'll be who we want to be tonight

When tomorrow comes we're gonna feel alive
Somehow forget about the tears we cried
There's so much more we have to gain than we could
ever lose

Tonight
Tonight we're gonna put it all
Put it all behind
Tonight
Tonight we're gonna make it all
Make it alright

Tonight

Tonight we're gonna put it all
Put it all behind
Tonight
Tonight we're gonna make it all
Make it alright
We'll be who we want to be
We'll be who we're meant to be tonight
Tonight

(When tomorrow comes we're gonna feel alive)
