

Afters, The "Until The World"

Visit "[Until The World](#)" on MotoLyrics.com

I lose myself to find in me the way it really ought to be
It's hard to say I love you
It's hard to say I need you

If all is well it's hard to tell
It hurts to think of someone else
It's hard to say I'll be there
It's hard to say I really really care

Until the world won't turn
'Til the planets burn
Until the sun dies
I'll be there

Until the heavens come
'Til this life is done
Until the world dies
I'll be there

I can't see outside myself
How can I live for someone else
It's hard to say I'm sorry
It's hard to say forgive me

I can't believe you're here with me
Into the future
I can't see
It's hard to say forever
It's hard to say I'll never ever go

Until the world won't turn
'Til the planets burn
Until the sun dies
I'll be there

Until the heavens come
'Til this life is done
Until the world dies
I'll be there

Until the world won't turn
'Til the planets burn

Until the sun dies
I'll be there

Until the heavens come
'Til this life is done
Until the world dies
I'll be there

Until the world won't turn
'Til the planets burn
Until the sun dies
I'll be there

Until the heavens come
'Til this life is done
Until the world dies
I'll be there
