It's a long wet road to love and freedom
With fuzzy lines, and midnight rides
Fuzzy lines, and midnight rides

The sullen paths are where you leave them
So play in puddles tonight
I'm running behind the ambulance
The paramedic faces me
Ideally
We find each other on a
Dark wet street
Dark wet street
We meet...
We meet...
We meet...

Shiny roads
Take me home street-
Lights illuminate
The thoughts I can't escape
Now I'm slipping into dimness
The desert air is whispering
"I don't care about why you're here
I know you want this"
So walk on,

Shiny roads.
Take me home street-
Lights illuminate
The thoughts I can't escape
Now I'm slipping into dimness
Into dimness
Into dimness

So I lost faith
In the pen
In the days
And the pen
And I know
And I know
And I know know know know know know know
You feel it too
