The clock struck twelve  
2 hours ago  
Time flies when you're stuck in last year

A person never meant  
The power he holds was so clear  
But lightning, lightning crashes here  
Lightning [x3]  
Lightning crashes here

What's getting me through tonight? (tonight, tonight)  
Gripping tightly, to the thought of being home.  
(The thought of being home)  
Think about your headphones  
Think about your bike  
In the parking lot we were...  
We were recorded that night!

Each thump I hear  
Will coincide with this  
That I hold near  
(That I hold dear)  
To nothing

Are you feeling happiness? [x2]

Forget my needs  
They are slowly closing in on me  
It's guaranteed  
I'm overreacting

Gripping tightly, to the thought of being yours.  
(The thought of being yours)

Think about your shackles  
Think about your rights  
Stomping hard, behind bars  
Dislodging ears of solemn nights (solemn nights)

Killing the moods  
Is my forte  
Extremely immense  
I stalk my prey  
Are you feeling happiness?  
'Cause I'm sure life's about being pissed.
