My mother was a hooker,  
My father was a pimp,  
He always told his girls to do it faster.  
Now it would be my luck  
That the two of them would fuck,  
Now I'm a fighter pilot and a bastard!

Singin' aye, aye, aye, we'll fight until we die,  
And our enemies are gone forever more!  
Raining fire from above,  
For the freedom that we love,  
We are the Hounds of Heaven,  
The mighty dogs of war!

I took my sister Sally to the O Club bar.  
My mother says she's smart,  
She's a scholar.  
The bros thought she was hot,  
I said you'd better not,  
Cuz every guy has had her for a dollar!

Singin' aye, aye, aye, we'll fight until we die,  
And our enemies are gone forever more!  
Raining fire from above,  
For the freedom that we love,  
We are the Hounds of Heaven,  
The mighty dogs of war!

The squadron went to Vegas to do another Flag,  
I've regretted that whole trip most my life,  
It was there I met a stripper,  
Who lost a satin slipper,  
And now I call that worthless wench my wife!

Singin' aye, aye, aye, we'll fight until we die,  
And our enemies are gone forever more!  
Raining fire from above,  
For the freedom that we love,  
We are the Hounds of Heaven,  
The mighty dogs of war!

The most beautiful girl,  
That I did ever see,  
I dreamt one day I would get inside her,  
I finally got my way,  
I ride her every day,  
She's the only one for me  
And she's a Viper!

Singin' aye, aye, aye, we'll fight until we die,  
And our enemies are gone forever more!  
Raining fire from above,  
For the freedom that we love,  
We are the Hounds of Heaven,  
The mighty dogs of war!
