In this small space between
Two heads facing down
Four eyes that drown
Can silence be seen?

If perfection is flaw
Even more so is dreaming
Thoughts keep on streaming
And cannot be caught

You feed the dark till they can move
There's no use to stay

He's living in a universe
A heart away
Inside of him there's no one else
A heart away
The time will come to be blessed
A heart away
To celebrate his loneliness

Allein allein (x4)
We look into faces
Wait for a sign
Wir sind allein

Allein allein (x4)
We look into faces
Wait for a sign
Wir sind allein

Allein allein (x8)

Wo ist unser Schlagzeuger? (Where is our drummer?)

Allein allein (x2)

Vielen Dank! Tschüss! Macht's gut!
