Now when you needed me  
I was always around  
Now I need you, Baby  
You're nowhere to be found  
Got my money, now you're gone  
Down the road

Now they say a fool and his money soon part  
I was a fool for ever opening my heart to you  
Got my money, now you're gone  
Down the road

Said please forgive me  
I was your best friend  
I said shut your dirty mouth  
Before you go and lie again  
Got my money, now you're gone  
Down the road

I said come back home  
Groundhog day  
Got so cold outside, you know my little groundhog ran  
away  
Got my money, now you're gone  
Down the road  
Down the road  
Yeah

I said come back home  
Groundhog day  
Got so cold outside, my little groundhog ran away  
Got my money, now you're gone  
Down the road

Down the road

Down the road

Got my money, now you're gone  
Down the road

Got my money, now you're gone

Down the road

Got my... , now you're gone  
Down the road
