In the middle of the night
That's the time that I should feel alright
That's the time to hold you tight
In the middle of the night

In the middle of the night
Dreams of you haunt my memories
And I pray you'll come back to me
In the middle of the night

At one, two, three, four, five o'clock sharp
I can't even close my eyes
If I've done something wrong that I shouldn't have
done
Won't you please try and realise

In the middle of the night
All my thoughts are of you
And I pray you come back soon
In the middle of the night

In the middle of the night
I can't seem to get you off my mind
'Cause your love is so divine
In the middle of the night

In the middle of the night
In the middle of the night
