I was gone
Gone to the army
I was gone
Great long time
Well when I come back home my Baby
Still says she's mine
Still says she's mine

Well I give her
Give her all of my money
Tell me what more
Can I do
When I really don't believe it Baby
She gonna give it to you
She gonna give it to you

She's all right
She's all right

Well I could've
Could've had a religion
When I want
Same day
Well now it's getting me mine let the poor boy pray
Let the poor boy pray
Let the poor boy pray
Let the poor boy pray
Let the poor boy pray
Let the poor boy pray
Let the poor boy pray
Let the poor boy pray
Yeah
