"Turn Towards The Mirror"

I turn towards the mirror
Your pain staring back at me
I turn away and back again
To see what I have seen
So long to keep these secrets
They're tearing me apart within
I know
It's gotta change
Can't go on

I turn towards the mirror
I need to give my soul a rest
I wake up to the nightmare
I can't escape the consequence
These things that I have kept inside
With hurt felt so close to me
I know
It's gotta change

Now you see it
Now you don't
The reason's lost
A lesson to be learned
Stuck between the pages
Of a book about to burn

This world can be lonely
Yeah we all need someone in life
As these are the treasures
The ones we need to keep
Then hope not to lose
What we've kept so safe at heart
After all we must go on

Now you see it
Now you don't
The reason's lost
A lesson to be learned
Stuck between the pages
Of a book about to burn

Now you see it

Now you don't
The reason's lost
A lesson to be learned
Stuck between the pages
Of a book about to burn
