A buzzard took a monkey for a ride in the air  
The monkey thought that everything was on the square

The buzzard tried to toss (toll throw) the monkey of of  
his back  
But the monkey grabbed is neck and said now listen  
jack

Straighten up and fly right  
Straighten up and fly right  
Straighten up and fly right  
Cool down papa dont you blow your top

Aint no use in diving  
Whats the use of diving  
Straighten up and fly right  
Cool down papa dont you blow your top

The buzzard told the monkey you are choking me  
Release your hold and I will set you free  
The monkey looked the buzzard right dead in the eye  
And said your storys so touching, its sounds just like a  
lie

Straighten up and fly right  
Straighten up and stay right  
Straighten up and fly right  
Cool down papa dont you blow your top  
( )

The buzzard told the monkey you are choking me  
Release your hold and I will set you free  
The monkey looked the buzzard right dead in the eye  
And said your storys so touching, its sounds just like a  
lie

Straighten up and fly right  
Straighten up and stay right  
Straighten up and fly right  
Cool down papa dont you blow your top  
Straighten up and fly right  
Straighten up and stay right  
Straighten up and fly right

Cool down papa dont you blow your top
