There's a song in the air  
But the fair senorita doesn't seem to care  
For the song in the air

Oh, I'll sing to the mule  
If you're sure she won't think that I am just a fool  
Serenading a mule

Amigo mio, does she not have a dainty bray?  
She listens carefully to each little tune you play  
La bella senorita  
Si, si, mi muchachito  
She'd love to play it too if only she knew the way  
But try as she may  
In her voice there's a flaw  
And all that the lady can say

There's a light in her eye  
Though she may try to hide it  
She cannot deny  
There's a light in her eye

Senorita, donkey's feet are  
Not so fleet as a mosquito  
But so sweet like my chiquita  
You're the one for me

He's a mule, what a mule  
But all that my darling can say  
Hee-haw-w-w-w-w-w-w-w-w-w

In his face is a dream  
Like an angel that I saw  
But all that my darling can say  
Is hee-haw

He can try as he may  
In his voice there is a flaw  
But all that my handsome can say  
Is hee-haw-w-w-w-w-w-w-w-w-w

There's a light in his eye  
Though he may try to hide it  
He cannot deny  
There's a light in his eye

There's a song in the air  
But the senor doesn't care  
And I love him so  
Even though he's just a mule  
I get a great big kick from that Senor mule  
Singing the donkey serenade
