After all those years
our mind are the same
always do the things
soon will be to late.

Stupid politicians
rule this world of shit.
Think about their ass
and some pussy to meet.

(ref.x2) SURVIVE TO TALK
TO NEXT GENERATION
ABOUT THE WAR
BETWEEN THE HUMAN NATIONS!

Nations under the gun
are full of fucking hate.
Angry on their self
but soon will be to late.

Hopeless, helpless
people waitin for the god
to rise his hand
and destroy the Devil squad.

(ref.x2) SURVIVE TO TALK
TO NEXT GENERATION
ABOUT THE WAR
BETWEEN THE HUMAN NATIONS!
