The boys watch the girls while the girls watch the boys
who watch the girls
go by
Eye to eye, they solemnly convene to make the scene
Which is the name of the game, watch a guy watch a
dame on any street in
town
Up and down and over and across, romance is boss

Guys talk "girl talk", it happens everywhere
Eyes watch girls walk with tender lovin' care

It's keepin' track of the fact watching them watching
back
That makes the world go 'round
"What's that sound?" each time you hear a loud
collective sigh
They're making music to watch girls by
