In the next world war
Jackknifed juggernaut, I am born again.
In the neon sign, scrolling up and down
I am born again.

An interstellar burst... I'm back to save the universe.

In a deep deep sleep, of the innocent
I am born again.
In a fast german car, I'm amazed that I survived

An airbag saved my life.

An interstellar burst... I'm back to save the universe.

An interstellar burst... I'm back to save the universe.
An interstellar burst... I'm back to save the universe.
