"How i love you"

Visit "[How i love you](#)" on MotoLyrics.com

Save me, soothe me, slowly, surely
Time will tell me how you love me
Summer lightning, willows bending
Roses climbing, life unwinding

How I love you
For all that you are
A true miracle here in my heart

Thrill me, send me, feather floating
River rushing deep inside me
Wonder, magic, wild abandon
Dance of passion, just imagine

How I love you
For all that you are
A true miracle here in my heart

Fill me, guide me, silver light me
Time will tell me how you love me
