Driving away from the wreck of the day
And the light's always red in the rear view
Desperately close to a coffin of hope
I'd cheat destiny just to be near you

And if this is giving up well I'm giving up
If this is giving up well I'm giving up
Giving up on love
On love

Driving away from the wreck of the day
And I'm thinking 'bout calling on Jesus
'Cause love doesn't hurt so I know I'm not falling in love
I'm just falling to pieces

And if this is giving up well I'm giving up
If this is giving up well I'm giving up
Giving up on love
On love

And maybe I'm not up for being a victim of love
When all my resistance will never be distance enough
Oh
Oh
Oh
Oh

Mmm
Mmm

Driving away from the wreck of the day and it's finally
quiet in my head
Driving alone
Finally on my way home to the comfort of my bed

And if this is giving up then I'm giving up
I this is giving up then I'm giving up
Giving up on love
On love
